

SAVE THE DATE

JOURNEYS IN ENGINEERING, TECHNOLOGY AND SCIENCE

FOR ALL MCPS MIDDLE SCHOOL STUDENTS AND THEIR PARENTS!

WHERE CAN SCIENCE AND TECHNOLOGY TAKE YOU?

**SATURDAY, DECEMBER, 4, 2010
8:30 AM – 2:00 PM**

HOW CAN THIS BENEFIT YOUR STUDENTS?

Students will experience fun-filled hands-on activities related to middle school science curriculum topics such as bioscience, environmental and computer sciences.

Parents are invited to learn more on how to keep students interested in the sciences.

Science and Technology teachers and high school students will share information about educational pathways from middle school to college.

Students will interact with career professionals who can excite and inspire them about careers in science.

Companies represented will include Northrop Grumman, Lockheed Martin, NASA, NIST, and NIH.

Sponsored by:

Universities at Shady Grove,
Montgomery County Public Schools,
and Montgomery College

Location: Universities at Shady Grove 9640 Gudelsky Way, Rockville, MD 20850

Free Transportation will be available from several MCPS Middle Schools
